Anything but garden variety

To celebrate its grand opening, Siam Green Sky will host several activities on May 22-24.

Siam Green Sky is the country's largest urban rooftop garden, located on the seventh floor of Siam Square One shopping centre, Rama I Road. There will be three touring sessions daily — 10.30am to 11.30am, 2.30pm to 3.30pm and 4.30 to 5.30pm.

There will be an opening ceremony on May 23. It will be attended by famous

artists and agriculturalists who will lead visitors in farming-related activities.

There will also be a market featuring reasonable prices on organic agricultural products and services from farmers, as well as produce and healthy food from Siam Green Sky.

The market will run at the area connecting BTS Siam station to Siam Square One, daily, from 10am to 9pm. Band Artfield will perform at the market on May 24. The same day also

features drawing activities presented by Bangkok Sketcher.

After the grand opening, the garden will be open to the public on Wednesdays and Saturdays, with three hour-long touring sessions each day.

There is no admission fee. For reservations, email siamgreensky@gmail.com or call 099-001-8514. Visit www.siamgreensky.com or www.facebook.com/siamgreensky.
